

**KSCSTE-KERALA FOREST RESEARCH INSTITUTE
PEECHI, THRISSUR - 680 653**

PROCEEDINGS

Sub:KSCSTE-KFRI-Admn – Revision of Analytical Charges of Instruments
at CAI-K – approved - Orders issued - reg.

No. G10/KFRI/Estt/90

Date: 15-10-2025

Ref: Minutes of 43rd MC held on 10/09/2025.

As per the reference cited above, Analytical Charges of Instruments at CAI-K, KSCSTE-KFRI are revised as in the annexed table. The revised rates will be applicable with effect from 01/11/2025.

Signed by

Kannan C S Warriar

Date: 15-10-2025 11:36:32

DIRECTOR

To: All Divisions

Deputy Registrar(i/c)

Terms and Conditions

1. For quantitative analysis in GC-MS and HPLC, standards have to be provided and points in calibration curve (4-5 point) will be counted as individual samples
2. ICP-AES: (#) Rates are for per element per sample including standardization for the first element. (*) The rates for every additional element is given in brackets. Sample digestion charges extra.
3. The analytical data/spectra are provided only for research/academic purposes, and cannot be used for legal disputes. Interpretation of data/spectra is not undertaken.
4. Students working for their Postgraduate/PhD programme in National/State laboratories may avail educational institutional rates on production of letter from Head of Institution/Department
5. The rates for Educational institutions will be applicable for general public also.
6. GST applicable as per the existing rates
7. Rates of water quality analysis for KFRI staff members (Permanent and Temporary)- concessional rate applicable to KFRI internal samples (Rs.410/sample) with applicable GST
8. For startup firms, 40% discount in industry rates will be applicable.
